Cinnamon Walnut Oat Cracker

Me and the Internet

I wanted to make crackers. I needed something to serve with coffee.

- 2-1/2 cup oat flour
- 1/2 cup rice flour
- 1/4 sugar
- 1/3 cup of vegetable oil
- 1 cup of water
- 1/2 teaspoon of cinnamon
- 1/4 cup ground walnuts

Preheat oven 400 degrees. Mix ingredients. Roll out thin on wax paper lightly floured. Flip over onto cookie sheet. Loose the wax paper. Lightly cut lines with pizza cutter. Bake for about 15 minutes until golden brown. Cool. Serve with cream cheese and apple butter.
