Scalloped Yams or Sweet Potatoes

Internet and Scalloped potato recipe of Cindy's

Don't really like the candied yams so decided to try something not so sweet. It turned out very good.

- 2 1/2 pounds of yams (sweet potatoes) thinly sliced
- 4 oz of butter
- 1 1/2 cups of milk (about)
- 1/4 cup of flour
- 1 1/2 onions sauteed in butter
- 3 sprigs of parsley sauteed with the onions
- 1 cup of parmesan cheese shredded
- 1/2 of any other cheese
-

Line the bottom of a casserole dish with potatoes. Next layer 1/2 the flour, then 1/2 the onions, then 1/2 the cheese, 1/2 the milk, then 1/3 the butter. Make another layer the same. Last make one more layer of the potatoes and put the rest of the butter. Bake for 350 degrees for about an hour. Then sprinkle some of the parmesan cheese on the hot casserole.
